**COLOMBIAN GUACAMAYA BASKETS.** Guacamayas, Colombia is home to one of our favorite artisans, Omaira Manrique, a community leader dedicated to preserving her region's cultural heritage while improving the lives of her fellow artisans of the Artistic Creativity of Guacamayas Cooperative. The guacamayas technique of rolled, natural fiber basketry is also named after their town. The complex designs can take up to 3 days to produce using native paramo straw and dyed figue fibers. Each basket is a vibrant, yet functional, piece of art.
