FALL 2025

CELEBRATING OVER
25 YEARS OF

NOVICA

When we started NOVICA back in 1999, we had a dream — to help carry the world's artistic traditions forward, and support the incredible people behind them.

Over the past quarter century, we've seen that dream grow into a movement that connects thousands of extraordinary artisans with customers who care deeply about meaning and impact.

As you explore this catalog, I hope you'll discover pieces that speak to you — each one small-batch, ethically made by the talented artisans and designers we're honored to work with. Many items take weeks to complete, crafted in close-knit workshops that have been part of our journey for years.

Thank you for supporting beauty that uplifts, traditions that endure, and a world woven together by our shared humanity — across borders, cultures, and generations. Your purchases bring meaningful impact to artisans, their families and communities.

With love and
gratitude,
